This is an ongoing goal in our three-year plan, and we are making good progress with liturgies becoming more engaging for students and higher attendance by families at school liturgical celebrations.

LEARNING – to ensure all students show growth in problem solving and working mathematically, AND to ensure all students show growth in phonemic awareness and comprehension. These are ongoing goals in our three year plan. They are is being achieved by continued focus on building confident and persistent learners, with a focus on mathematical problem solving skills, and early reading skills (hearing, recognising and manipulating sounds to decode words). Parish Family Mass

You need to be congratulated on such a lovely morning yesterday.

Your school is such a wonderful example to all the new parents and children coming along starting next year, they could feel so satisfied with their decision to send their little ones to St Mary's.

Such a fabulous school with such faithful and caring teachers and Principal.

You give so much of your time and energy to what you do, it showed yesterday.

School Culture

We just wanted to send an email to share how happy our family is with your wonderful school.

Our child's transition to kindergarten and first year of schooling has been such a positive experience for us all. He has learnt so much and grown in confidence tremendously. We know he feels safe, cared for and supported at school, and that is the most important thing to us.

We have been so blessed for our child to have (name) as his teacher. She has been wonderful throughout the entire year and has been everything we hoped our son would have in a kindergarten teacher. Her collaborative approach, excellent communication and nurturing but still firm nature has been very much appreciated.

Our family has all felt very welcomed by yourself and the St Mary's community as a whole, your presence in the school does not go unnoticed and is lovely to see. I can't forget to mention my son's wonderful buddies, (names), who have been absolutely fantastic with the boys and really made a positive difference in their kindergarten experience.

Thanks again to yourself and

Overall, staff recognise and foster a strong collective culture at the school, in which staff collaborate to achieve shared goals and support one another throughout the process, and staff cultivate collective efficacy to improve our students' educational experiences.
