St Joseph's Kilaben Bay is always evolving as a community where learning is valued and expected by all stakeholders. As such, the school's curriculum is directed by NESA expectations and class timetables reflect the allocated times for each Key Learning Area. To fulfil NESA expectations, all classes engage in the Key Learning Areas including Religious Education as part of the students' Catholic faith development.

The school has implemented several key strategies designed to enhance student learning. A focus on rich differentiated tasks to deepen the learners understanding of Mathematical concepts and engage them in deeper understanding of the curriculum. Our Pedagogical Mentors and Leadership Team have continued to lead staff in implementing new innovative pedagogical practices. Staff at St Joseph's have implemented aspects of 'Learning, Leading Collaborative' a diocesan approach to discover and implement what matters most in Learning, Leading and Teaching. This includes Learning intentions and Success Criteria in Maths and English. Teachers also give descriptive feedback and set student goals to promote student learning and provide quality assessment.

The school Learning Support Program is designed to target those students with particular learning and behavioural needs. Vulnerable students are identified and are assisted mostly in class by Class Teachers and Learning Support Assistants. There are a number of students on the NCCD and they are supported according to their individual needs. These students have a learner Profile which identifies areas of strengths and development and is created by their classroom teacher and Learning Support Teacher. Intervention Programs such as MiniLit and MacLit, address targeted needs in the area of English.

A pastoral Care worker also supports students with social, emotional and behavioural needs. She works one on one and with small groups. This year she has run the Seasons for Growth program to help some of our students deal with loss and change. Lunch Club is provided most days and offers students with the opportunity to engage in quiet, small group games.

Kindergarten continues with Success Criteria in their classrooms

Student Performance in Tests and Examinations

NAPLAN

Students in Years 3, 5, 7 and 9 across Australia participated in the National Assessment Program Literacy and Numeracy (NAPLAN). The purpose of NAPLAN is to provide information to parents and teachers about the achievements of students in literacy and numeracy. The test provides a measure of the student's performance against established standards and against other students in Australia. Each year the results are analysed by the school to inform teaching with a view to improving student performance.

From 2023, NAPLAN results are reported against proficiency standards with 4 levels of achievement to give teachers, parents and carers clearer information on how students are performing:

- Exceeding: The student's result exceeds expectations at the time of testing.

Pastoral Care and Student Wellbeing

Pastoral Care Policy

The School's pastoral care and student wellbeing policies guidelines and procedures are informed by the [Student Wellbeing and Pastoral Care Policy](#).

The Student Wellbeing and Pastoral Care Policy 2022 aims to provide a framework for the policies, programs, resources and practices implemented at system and school level with the purpose of supporting and enhancing the wellbeing of students, and all within its school community. It refers to the overall climate of care that exists within a Catholic school.

The environment is designed to be safe and inclusive, one that promotes academic rigour. A high priority is given to building and maintaining positive and caring relationships between staff, students and parents, and the wellbeing of all.

Behaviour Management and Student Discipline Policy

The School's policies and procedures for the management of student behaviour are aligned the CSO [Student Wellbeing and Pastoral Care Policy](#) and to the [Suspension, Exclusion and Expulsion Procedure](#). The dignity and responsibility of each person is promoted at all times along with positive student behaviours whilst ensuring respect for the rights of all students and staff. Corporal punishment is expressly prohibited in this School. The School does not sanction administration of corporal punishment by School persons and non-School persons, including parents, to enforce discipline in the School. Further information about this and other related policies may be obtained from the School's website.

Anti-Bullying Policy

The Catholic Schools Office has established an [Anti-Bullying Policy](#) which is implemented by our school and all schools in the diocese. It provides a framework for school communities to work together to prevent and address issues of student bullying, in order to build respectful relationships that respond effectively and sensitively to the needs of each person. The CSO monitors the implementation of this policy.

The full text of the Anti-Bullying Policy may be accessed on the School's website, the administration office or at the CSO website.

Complaints Handling Policy

The Diocese of Maitland-Newcastle has established a [Complaints Resolution Policy](#) which is implemented by our school and all systemic schools in the diocese. The rationale for the policy is that within the reality of the schooling experience, it is recognised that, from time to time, misunderstandings and differences of opinion will occur, and that these need to be resolved satisfactorily. Addressing such matters within a framework of dignity, respect and truth can provide powerful opportunities to model the love of Christ in the reality of our contemporary world. CSO monitors the implementation of this policy.

Our student leadership team also lead our weekly assemblies, organising PBL and merit awards, birthday certificates and special announcements. They are excellent role models for our school community. They also provide care for our newly enrolled Kindergarten students within our buddy program. All kindergarten children are buddied with a year 6 child during their extensive transition program and into the new year.

This year we have facilitated social programs across selected grades to improve social interactions. The pastoral care worker has also run social groups and the Seasons for Growth program.

2023 also saw the implementation of a community partnership program involving Toronto Men's Shed. This saw weekly sessions of building, gardening and no bake cooking. Involvement was for targeted children for a variety of reasons. This saw attendance and behaviour improve for the children involved.

School Improvement

The School implements the system's review cycle of improvement which outlines the processes and benchmarks for creating the culture and practice of continuous improvement with students as the focus. Strategic Improvement Plans are future focused documents that map the School's directions, aimed specifically at improving educational and wellbeing outcomes for all students through the following areas:

- Catholic Identity and Catholic Curriculum
- Learning and Wellbeing

Each year, the School develops a Strategic Improvement Plan indicating the intended key improvements for student learning outcomes. A copy of the school's Strategic Improvement Plan may be obtained from the School administrative office.

Community Satisfaction

Consultation with parents, students and teachers is valued and sought. Their feedback contributes to the planning and the achievement of improved outcomes for students. This year, the School has used a variety of processes to gain information about the level of satisfaction with the School from parents, students and teachers. The school undertakes extensive surveying of all stakeholder groups annually. This data is shared with the school community and contributes to the priorities for future planning.

Parent satisfaction

A parent forum was offered in February K-6 to speak with the Principal, Assistant Principal and Religious Education Coordinator. A number of parents attended to discuss their vision for St Joseph's and for their own child's learning. All in attendance were very honest and provided open and constructive feedback. This information was collated and shared with the wider community.

Parents receive a Compass post each week titled "Week at a Glance". This clearly outlines all events happening at the school during the week. This along with a paper copy of a Term planner, has improved parent engagement. The school has received many positive comments and emails regarding this initiative. Parents also receive emails letting them know if their child is receiving a weekly award. Regular Compass notifications are sent throughout the week keeping all parents and carers up to date and all emails and telephone calls are replied to in a reasonable time frame.

Parents have sent emails stating their satisfaction and gratitude after we have hosted events with children's participation. Parents and carers have the opportunity to visit our website and our Facebook page for further connection with our school events.

Teacher 1

What a wonderful learning environment there is here at St. Joseph's, both for staff and students. The students benefit from the very latest in innovative teaching pedagogy, and the staff are very well catered for with professional development being a high priority. I personally value the relationships that I have formed both with my colleagues, including our hardworking LSAs, the office staff and my students. It is certainly a school that has a high focus on the well being of every person and I am very thankful for that.

Teacher 2

I consider myself truly blessed to have been a member of the St Joseph's teaching team for the past 16 years. St Joseph's is a wonderful learning community that is set in a peaceful and verdant bush environment. The staff at St Joseph's genuinely care for every child's spiritual, social, emotional, cognitive and physical needs. The staff are a supportive team with varying talents who make each day special at St Joseph's. There is a fantastic community spirit where parents, the first educators, are valued and respected.
